Have fun and change the world

[ARAMITAN](#) invites you to the upcoming 2009/2010 WORK CAMPS in BRAZIL!!!

Brazil is a beautiful country with amazing landscapes, varied forest vegetation, beaches, music, dancing and a carnival atmosphere. But it also has the widest gap between the rich and the poor. It's a land of contradictions and the ones who suffer the most are its children.

Aramitan is a Community Project 40kms outside of Sao Paulo. Young volunteers from all around the world have helped build this Community Centre with great love and enthusiasm (watch videos [here](#)).

If you would like to be of help, make a difference and have a great time, we warmly invite you to join us in Brazil for one of the following Work Camps in Embu Guacu!

ARAMITAN work camp 1 **30.11.2009 to 19.12.2009**

ARAMITAN work camp 2 **04.01.2010 to 23.01.2010**

There are people organizing the camps from around the world. A lot of good will, sweat and tears have been shared for great upcoming success.

Warm greetings and best wishes to you all,

The Aramitan Team
